

Senior Accountant

Deadline:

01-11-2026

Are you passionate about renewable energy and eager to work at the forefront of the global energy transition? PEAK Wind is seeking a Senior Accountant to support the financial management of a portfolio of onshore wind farms in Zaragoza, Spain.

Employment type:

Full time

Practice group:

Asset Management Finance

Introducing the Asset Management Finance Team

You will become part of our Asset Management Finance team, where we work collaboratively to support renewable energy projects around the world. Our team consists of highly motivated professionals who bring diverse backgrounds and a strong commitment to excellence. We support one another, share knowledge, and celebrate both individual and collective achievements.

You will report to the Accounting Manager and work closely with colleagues across different areas, bringing your perspective to a collaborative and purposeful team environment.

Location:

Zaragoza, Spain

How You Will Make an Impact

As a Senior Accountant, you will contribute to the success of our clients and renewable energy projects. Your key responsibilities will include:

- Management of accounting, such as general ledger, journal entries and accounting systems
- Prepare quarterly, semester and annual financial statements of all of the entities of the portfolio
- Prepare the statutory accounts of all entities that comprise of the portfolio and lead annual audit process as required
- Driving the overall AP / AR including month end reconciliation process with bank statements
- Participate in the continual improvement of the financial reporting: Balance Sheet, P&L, Cash flow statements
- Be responsible for Fixed assets and Treasury management

What Will Make You Successful in This Role

At PEAK Wind, we know success comes in many forms. What matters most is your mindset, curiosity, and drive to make an impact. The following qualities and experiences will help you succeed in this role:

- A degree in a relevant field such as Accounting, Finance, Economics or Business Administration, or similar
- +5 years of professional accounting, bookkeeping, and tracking assets in Spanish GAAP (knowledge of US GAAP would be considered a plus)
- Professional experience in the energy industry or another complex environment would be considered a plus
- Clear and effective communication skills in English, both spoken and written
- A structured approach to problem-solving and the ability to take initiative
- A collaborative mindset and the ability to thrive in an international, cross-functional team
- Experience with the ERP system Business Central would be considered a plus

Why Join PEAK Wind

- An international, inclusive, and diverse workplace where differences are valued
- The opportunity to work on leading renewable energy projects alongside experienced industry professionals

- Flexible working arrangements that support both your career and personal life
- A flat organisational structure where your ideas are welcomed and your contributions matter
- A strong focus on your learning, development, and professional growth.
- A culture that values commitment, meaningful contributions, and having fun

Our Commitment to Inclusion and Fair Hiring

We believe that a diverse and inclusive workplace drives innovation, creativity, and stronger results. At PEAK Wind, we are committed to fair and transparent hiring processes, welcoming candidates from all backgrounds, identities, and experiences. Our hiring decisions focus on what each person brings to the role and our team, and we are committed to ensuring transparent salary structures, with pay decisions based on clear, objective, and genderneutral criteria. Salary information, including the relevant salary band, will be shared with candidates when they are invited to a first interview.

How to Apply

We look forward to receiving your application. Applications will be reviewed on an ongoing basis, and we reserve the right to close the recruitment process once the right candidate has been found. Please apply directly through our website. If you have any questions or would like to know more about the position, please contact People & Development at recruitment@peak-wind.com.

About PEAK Wind

PEAK Wind is an independent renewable energy specialist in commercial, financial, and technical operations, delivering advisory, intelligence, and asset management services to investors and developers around the world. From onshore and offshore wind generation to Power-to-X, we work across the entire energy lifecycle to optimise operations and maintenance, enhance asset performance, and provide a holistic view of renewable infrastructure portfolios.

Our values - Expertise, Passion, Unity, and Integrity - are reflected in everything we do, from how we support our clients to how we collaborate as a team. At PEAK Wind, you will be able to apply your professional skills in a dynamic environment and experience a meaningful responsibility and involvement.
